

## Synopsis

### **Afghanistan National Police, Afghan National Civil Order Police (ANCOP) 2/3 Patrol Battalion (BN) Moqur District, Badghis Province, Afghanistan - PAPW040702AP**

The project consists of the specified site-adaptation, site and infrastructure design and construction of a new facility for the ANP in Moqur District, Badghis Province, Afghanistan. The ANCOP Patrol BN is an ANP Operating Establishment which will support approximately 500 personnel. The proposed site is about 159,000 square meters (79.5 jeribs). The site is located about 13 kilometers northeast of Qala-e-Naw City and is open land. This scope incorporates a secure perimeter and associated facilities, infrastructure and amenities to house the ANCOP 2/3 Patrol BN. The ANCOP mission incorporates administration, warehouse / storage, secure storage (weapons), munitions storage (small arms), fuel storage / allocation and vehicle staging and maintenance. ANCOP support elements incorporate DFAC training facilities and billeting (male and female). Site work and related design shall be accomplished by the contractor. The work within this contract shall meet and be constructed in accordance with current U.S. design and International Building Codes (IBC), Life Safety Codes (NFPA-101), UFC 4-010-01, DoD Minimum Anti-Terrorism Standards for Buildings.

This is a pre-solicitation notice. The solicitation is expected to be issued as a Request for Proposals (RFP). It is anticipated that award of any contract resulting from the solicitation will be made using Lowest Price Technically Acceptable (LPTA) procedures. Offers will be evaluated in accordance with the evaluation criteria stipulated in the solicitation. An offeror may not receive award, even if it has the lowest-priced, technically acceptable proposal, if its price proposal fails to demonstrate that it understands the scope of work required by the solicitation. The applicable NAICS code is 236220 (\$33.5M small business size standard). The period of performance for this project is 540 days. The magnitude of this project is between \$10M and \$25M. There are no options included in this acquisition. The point-of-contact for this procurement is Mr. Nicholas Emanuel, Contracting Specialist, USACE-AES, APO AE 09355. You may reach Mr. Emanuel at 540-667-6581 or via email at [nicholas.p.emanuel@usace.army.mil](mailto:nicholas.p.emanuel@usace.army.mil).

Requirements: FAR 52.204-7 (Central Contractor Registration) and DFAR 252.204-7004 (Alternate A, Central Contract Registration (CCR) applies to this procurement. All prospective contractors must be registered in the Department of Defense CCR database and the Joint Contingency Contracting System (JCCS) prior to award. Offerors are encouraged to register early to ensure eligibility for award. Information on CCR registration and annual confirmation requirements may be obtained by calling 1-888-227-2423 or via the internet at <https://www.bpn.gov/ccr/default.aspx>. If you need a 9-digit Dun & Bradstreet (D&B) DUNS Number, please visit: <http://fedgov/dnb.com/webform>. Information on JCCS registration may be obtained via the internet at <https://www.jccs.gov/olvr/default.aspx>.

All responsible sources may submit a proposal which will be considered by the Government.

Solicitation Number W5J9LE-12-R-0051 is anticipated to be available on or about 14 April 2012. The Solicitation and all further information will be posted to these websites:
